WHERE DID OUR OVERSEAS TOURISTS COME FROM?

Of the 8.4 million overseas visitors we welcomed to the island of Ireland, 485,000 (or 6%) overnighted on both sides of the border.

OUR TOP MARKETS

Great Britain, the US, Germany and France were the island of Ireland's top four inbound markets. Together, they accounted for 73% of tourists, 67% of revenue and 63% of nights. They were even more important for holidays, accounting for 72% of trips, 71% of revenue and 69% of nights.

LONG-HAUL

Of our top ten source markets for tourists, three are long-haul markets (the US, Canada and Australia).

HOLIDAYS

A holiday was the most popular reason for visiting the island in 2024. 3.4 million holidaymakers generated €3.6/£3.1

Billion (52%) in overseas revenue. Around 1 in 4 overseas tourists to the island included an overnight in Northern Ireland holidaymakers

VISITING FRIENDS & RELATIVES

Visiting friends and relatives (VFR) accounted for over one-third (37%) of tourists. VFR is especially important for Northern Ireland (43% of tourists). Great Britain accounted for 59% of VFR tourists to the island of Ireland and 84% of those to Northern Ireland.

BUSINESS

One in seven (15%) overseas tourists visited the island of Ireland for business reasons.

“OTHER” REASONS

Seven percent of overseas tourists visited for other reasons, such as English Language Training (ELT). Although relatively few in number (628,000), these visitors stayed significantly longer than other tourist types, averaging 13.8 nights compared to the overall average of 7.1 nights.
