Introduction to our St Patrick's Day Trade Toolkit

The story of St Patrick, the patron saint of Ireland, has fascinated the world for centuries and you can still see his legacy all around the island of Ireland. Tourism Ireland is proud to celebrate St Patrick's Day, and we have produced themed content to use in your own marketing activities for the celebrations on March 17th.

Our St Patrick's Day events this year will aim to highlight the joy of that spirit of shared community and connection that St Patrick's Day represents for all our global family and friends. Now is the time for your clients to book a holiday to Ireland to experience all that this wonderful island has to offer!

To help you get involved and make the most of the opportunity for your business, we have prepared a toolkit of digital content that you can incorporate into your own marketing for Ireland and St Patrick's Day.

We hope you will find this content useful, and that bringing a flavour of Ireland to your clients will encourage them to book the island of Ireland for their next holiday.

Happy St Patrick's Day!
Tourism Ireland
